Dear Parishioner,

The above Group were formed with a view to carry out the plan as presented below. We would appreciate your voluntary help and contribution to enable us to succeed.

Plan: To improve the environment impact of the 3 areas concurrently in use, and maintain a high standard on the new section, which is about to be open shortly.

1. To trim back all Trees by Boundary Walls.
2. To remove all Soil Stones and Rubbish, by Boundary's Wall.
3. To clean up all Footpaths and Walkways.
4. Between Footpaths and Boundary Walls, to be cleaned up and reseeded.
5. All Footpaths to be gravelled.
6. Holes in abandoned Graves to be filled in.
7. Grass to be controlled in all areas.

In order to achieve the above objective many hours of voluntary work will need to be offered to the project over the coming months.

Machines will be hired in, Purchase of Lawnmower Strimmers; Hand Tools: Sand: and Lawn Seed:

As considerable cost will occur in the first year.

The group would appreciate if you could contribute towards same.

Thanking you,

Drum Cemetery Voluntary Group
